

## ***Life Essentials*** by: **New Life Premier**

We take great pride in being able to offer you products that are carefully manufactured with the highest quality standards. Throughout the manufacturing process meticulous Quality Assurance procedures are followed to ensure high quality finished products.

Prior to their release, our products are tested for disintegration and weight variation using methods outlined in the United States Pharmacopeia. These testing procedures ensure that the products will break down properly in the body.

Our products are rigorously tested by independent, FDA inspected laboratories with particular expertise in the analysis of nutritional supplements. These tests evaluate the identity, potency and purity of each product through the most reliable analytical methods available, including:

- High Performance Liquid Chromatography (HPLC)
- Gas Chromatography (GC)
- Spectrophotometric Analysis
- Atomic Absorption.

New Life Premier Life Essentials offers you everything you need:

- A complete multi-vitamin and mineral complemented with a whole food concentrate.
- A vegetarian tablet.
- Potent dosages of antioxidants, like vitamins A, C and E, Selenium and Zinc. OptiZinc is our source to provide a higher absorbable zinc, even in high fiber diets, which can pull zinc from the body.
- A well-balanced B complex.
- An expansive mineral complex in the Krebs Cycle Complex form.
- ChromeMate® is a niacin bound chromium, providing greater biological activity.
- Super food concentrate formula including Spirulina, Barley, Chlorella, Wheat Grass and Wheat Sprout Juice providing chlorophyll and a variety of carotenoids.
- Other foods included in this formula are Bee Pollen, Siberian Ginseng, Garlic, Oat Bran and Apple Pectin.
- Enzymes, which digest Carbohydrates, fats and protein.
